New Business

The Christmas Parade on Dec 5th has yet to be decided if we will play.

Pit crew volunteers are needed, please be prepared to be called last minute for help as sometimes the situation is out of our control.

Volunteers are asking for better communications on the requirements for volunteers positions and what all it entails.

A Planning Meeting will be organized in Dec.

It is time to have our formal uniforms to be cleaned, recommendations would be appreciated.

A soup dinner for our band members will be held on Dec 2nd before the Winter Concert.

We are still looking into buying a trailer, we question whether to purchase a new one or a used one, checking to see if the specs will meet requirements as well as designing the layout.

Remind App and Charms are the best way to stay updated.
