When will senior posters to be given out? At the end of the year.

Director's Comments

Graduation will possibly go as last year did, in separate buildings, meaning we may not have enough space to have the band play.

Concerts, we would like to have concerts in late Feb and early Mar.

Orlando details will go up in the classroom, ask your student

Old uniforms are ready to sold, we would like to try an consign them, a vote would be needed to choose a consigning co.

Speaking on next years events, we have already received invitations to attend competitions, we are hoping next year will carry on as pre covid did.

Awards and banquet needs approval

**Proposed new business to vote on, and opportunity to receive national awards for seniors, costs would be minimal, these awards would be recognized by the national registry, as well as used to receive scholarships.. Will present formally at the next meeting.
