Business Discussed

Changes to the Boosters—shifting our purpose slightly.

**Fundraising will now focus on bigger items for the bands. We will plan to only have three to four fundraisers through the school year. We need to decide on those that are highly successful. Peaches and Bundtlets are certain. Car Wash and Coffee are maybes. Occasional spirit nights at local restaurants are also feasible.

**Tailgating for the kids before some events will occur. This will need volunteers and donations if possible at times.

**8th grade night/senior night/special events. Boosters will be directly involved with and/or in charge of said events.

Parent Interest Meeting—April 12, 2022. If you are available to be present, it would be helpful to be available for the new parents with questions.

Awards night—no date yet, planning for a night sometime during the first two weeks of May.

Disney trip—this will occur in December of this coming school year (12/22). A separate meeting will be held to discuss this event.

Meeting adjourned at 7:45pm
