## Community Band Boosters

Band Website: [www.beechband.org](http://www.beechband.org)

Dear \_\_\_\_\_,

I am a proud member of the Beech High School Marching Buccaneer Brigade. As members of the band, we work extremely hard and strive to bring positive recognition to our school and community. We are all proud to represent our program, school and community in local as well as national competitions.

Unfortunately, the Beech Band receives no financial support from the school system other than providing band directors and a classroom. This means the cost of essential items such as music, marching drill, purchasing and maintaining instruments, costumes and transportation to competitions and football games must be fundraised each year.

This year each marching student's cost to participate is \$957. I am asking for your help! Any donation you make will help me reach my personal financial obligation. Your contribution is 100% tax deductible as the Beech Band Boosters are a tax-exempt organization under Section 501(c)(3).

Thank you for helping me further my growth and education through participation in the band.

Sincerely,

\_\_\_\_\_
